

Professional Indemnity Insurance

Professional peace of mind

Providing professional advice and services come with a duty of care for your clients. Failing to provide this can lead to costly legal implications. To help the impact on the day-to-day running of your business, PI Insurance offers indemnity against court settlements.

A few areas we cover include

Architects and civil engineers

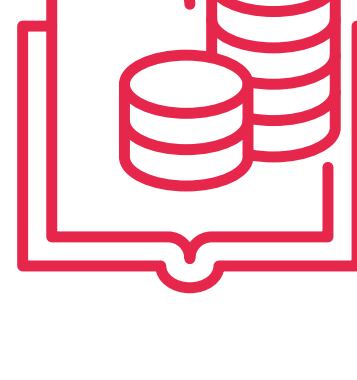

Construction management

Electrical and mechanical engineers

Lawyers and management consultants

Accountants and investment advisors

Hosting/platform providers

Visit mib.com.mt for more information
