Directors' and Officers' Insurance

Manage with confidence

Give yourself financial protection as head of management. D&O Insurance protects against claims made against the policy holder or holder's co-directors. It covers costs relating to mounting a defence and any damages or settlements relating to the matter.

A few areas we cover include

- Entity cover for employment practices liability claims
- Official investigations
- Securities entity cover for listed companies
- Wrongful termination, sexual harassment or discrimination
- Initial public offerings
