Events Liability Insurance

Host with confidence

When it comes to events, like servicing a film-production, or organising a conference, or even being subcontracted for an event, you are responsible for the wellbeing of everyone involved. Events Liability Insurance will give you the peace of mind to organise and host your event, knowing you'll be secure should something go wrong.

Some areas that can be covered are:

- Personal accident
- Safety of the crew, subcontractors, performers and guests
- Accidental damage to sets, costumes, stage, rental equipment
- Accidental damage to performers' equipment
